Friday, July 28
5:30 p.m. – 7:30 p.m.
Ethyls
8505 Veterans
Memorial Pkwy
O'Fallon, MO 63366

Welcome to the CBC family!

We say family for a reason, as the next 4 years are about more than just your son's education; they are an opportunity for your entire family to take part in the **CBC Experience**. It is an exciting time and four years truly will fly by! This is as much your experience as it is your son's!

A great first opportunity for our new parents/guardians to connect is by selecting a stop on the Cadet Caravan. A group of CBC parents, faculty and administrators will visit spots across the St. Louis area beginning July 24th. Our goal is to have some fun, get to know you, and help you meet other CBC families.

We know that you probably have many questions as you leave behind the familiar carpool lines of grade school and your son moves into his high school experience. Our Caravan team is hitting the road to make it as convenient as possible for you to ask questions about things like dress code, homework, book lists, grade checks, and who to call if your son is going to be late or absent. In addition, we understand that the end of 8th grade means many parents/guardians are leaving behind the comfort of a social network of friends that helped you cover rides or kept you up to date on what is happening at school. It is time to establish new connections at CBC, and we are excited to help you do just that!

The **Cadet Caravan** is a fun and relaxed happy hour where you can get your questions answered while meeting other new parents/guardians. Current CBC parents/guardians will also be in attendance, as will members of our administration, faculty, and staff.

Select a date from the left and [RSVP](#) for your stop on the Cadet Caravan. So that we can be prepared, let us know who will be joining you.

This event is for parents/guardians only.
